

40-Hour Site Safety Manager/Coordinator Training Course

The 40-Hour Site Safety Manager/Coordinator course is perfect for construction industry experts applying to grab the Site Safety Manager assessment or joining with the NYC Department of Buildings as being a Registered Construction Superintendent or Site Safety Coordinator.

The advertisement is a blue-bordered box. On the left, a man in a blue polo shirt is speaking. Text to his right reads: "40 hour Site Safety Manager/Coordinator", "Find stable employment, or save your company thousands of dollars in fees.", "Speak with our qualified Training Expert NOW!", and "888-926-4727 Toll FREE". To the right of the man is a white box with "REGISTER NOW" in red and blue, and a yellow "CLICK HERE" button with a hand cursor. To the right of the entire box are the OSHA and NYC Buildings logos.

This 40 hour training course becomes necessary by NYC Department of Buildings prior to taking the written evaluation for a NYC Site Safety Manager. Site Safety managers are necessary to be on location for the development of new buildings fifteen or even more stories, or two hundred feet or higher in height, or with lot coverage greater than 100,000 sq. ft.

This 40-Hour Site Safety Manager/Coordinator class becomes necessary for individuals who apply to become NYC Site Safety Coordinators or NYC Site Safety Managers. If you're able to become qualified as a Site Safety Coordinator or Site Safety Manager you could find stable job, or save your business thousands of dollars in charges.
